

# 2023 NECAPAC CAPITOL COMPETITION

In 2021, the inaugural Capitol Competition was a great success and we are excited to continue this competition in 2023. Each NECA Chapter will be placed in one of four groups based on chapter size and NECAPAC goal. Throughout the year, we will be spotlighting the Chapters that are ahead in each group on the website and during NECA National Events.

## THE COMPETITION

To maintain our strong influence in Washington, D.C., we encourage all NECA Chapters to participate in their Chapter Competition Group. Chapters will compete against the other chapters in their group to raise the most funds for NECAPAC.

## THE PRIZE

The winning chapter for each group at the end of the year will receive recognition and an award at AEI 2024.
